# YEAR 7 COHORT NEWSLETTER

Term 2 - Week 11

# YEAR 7

This past Term has been hectic, but fun and full of learning! We have been super busy both in and out of the classroom.

A highlight for our Year 7's this Term was the Life Changer Program, which helps to build social, emotional and resilience skills and community connections.

Congratulations to all Year 7 students for sitting their first exams - we are so proud of your dedication to your studies, and trying your hardest not only throughout the Term, but also during the exam period.

Our 7-9 Athletics Carnival was a heap of fun, and it was so great to see so many students dressed up in their House colours and giving all of the sports a go.

## Upcoming Important Dates
